编号: 31F025

沙发的形态以中国食物云吞为灵感，一分为二的靠背将云吞的形态发挥到极致，流畅有力的线条形成的环抱感给人优雅慵懒的感觉，让入座充满了仪式感。

As stylish as it is meaningful. CORE sofa inspired by traditional Chinese food Wonton. The back layered and wrapped like wonton skin. At the same time, it's forming an enveloping like a welcoming hug. The overall impression of the CORE sofa is cozy and calm.
