

GARDEN 花园

Design by L&L Studio

编号：53C011

简洁，俏皮，多彩的花园床头柜，仿佛让床边生花。多色烤漆的曲木在光线下闪耀，像是被露水亲吻过的花瓣，晶莹剔透。圆形小尺寸设计考虑到户型适配与各种使用场景，轻巧的体量可以随心移动到需要的角落，让家中“花香”满盈。

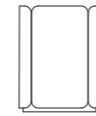

The GARDEN bedside table brings a touch of charm to any bedroom with its simple, playful design and vibrant color palette. Its lacquered finish subtly reflects light, reminiscent of morning dew on flower petals, adding a delicate elegance to the space. Compact and lightweight, this piece is versatile enough to fit seamlessly into various room sizes and can be easily repositioned as needed.
