

TT 冰露

Design by Christian Haas

编号：42C024

冰露桌的质感如同它的名字，给人轻盈且通透之感，雕塑般底座与柔和的玻璃桌面以点、线、面组合而成，创造出视觉上的吸引力，观者于不同的视角，可以欣赏到框架呈现出的不同层次与排列方式。

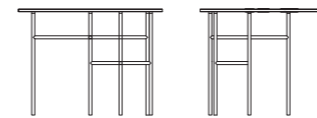

The TT coffee table and side table are inspired by the delicate balance between void and density, offering a sense of lightness and transparency. The sculptural base, paired with an organically shaped glass top, creates a striking visual contrast that enhances the overall design. This combination brings a harmonious balance, resulting in a piece that is both elegant and visually captivating.
