

# BILLIE 嘉年华

Design by Dainelli Studio

编号：32F016

BILLIE的设计灵感来源于充满了童年回忆的游乐场。回忆起夏日的夜晚，那里灯光熠熠，世界都在旋转跳跃，到处充满美好与欢愉。靠背外侧切面平直利落，对撞沙发主体的浑圆饱满，带来强烈的视觉张力，转椅设计带来更具动态趣味的用户体验。

The armchair BILLIE is inspired by the fantastic world of carnival. A place tied to memories of childhood and adolescence. On those summer evenings, where everything was shining and spinning around, one could breath beauty and lightness everywhere. Billie swivel chair can rotate a full 360 degrees, provide pleasure all around. It blends the sleek profile on the outside and softness on the inside.
