

FLYING MIRROR 飞镜

Design by MARIO TSAI 蔡烈超

编号: 71C003

镜子是墙面的表情，也映照出我们的喜怒哀乐，这套无框的“飞镜”设计，以悬浮的结构固定在墙面，提示我们生活的浮光掠影都会匆匆而过。

Mirrors can express feelings of people and space. Flying Mirror collection is frameless and suspended to the wall. It reminds us that trifles in life will slip away eventually.
