

HUG 圆舞曲

Design by Hanne Willmann

编号：32F018

圆舞曲节奏明快、旋律流畅，当舞者成对旋转，舞姿飘逸优美，舞态华贵典雅，正如HUG扶手椅所呈现之姿。圆形软垫从各个角度相互配合与拥抱，交织出适合任何空间的HUG扶手椅。

An armchair that feels like a hug. Fully upholstered rounded elements that complement and embrace each other from every angle. In their unity, the playfully intertwining parts create a soft visual pleasure yet a symmetrical look which makes it the perfect armchair suitable for any space.
