Design by L&L Studio

编号: 52C004

RHYTHM客厅柜保持着系列中性的秩序感，其电视柜以水平的语言延展，简洁地营造着延伸的效果。宽阔、稳定和大气质感，自然而生。明暗间的虚实对比和不同的尺寸组合，呈现了更加立体实用的客厅柜系统。

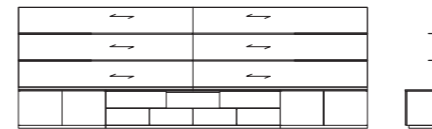

RHYTHM living room cabinet keeps a sense of order in a neutral way. Its TV stand with a broad and steady style can be naturally composed. Sharp contrast between light and dark and different colors and materials make the cabinet system stereoscopic and more functional.
