艳丽的色彩，整齐切割如糕点般诱人的浑圆轮廓，令人看到Pulo座墩便不禁联想到可口的水果布丁，设计师用轻巧的黑色丝光金属架将它轻轻托起，舒适感和亲和力随着柔软的座面和如花朵一般绽放的绗线娓娓道来。

PULO, with its showy colors and round shape, conjures up images of tasty fruit pudding. The designer utilized a lightweight and satiny metal frame to support the seat, which brings the chair a cozy feeling. Its quilted surface blooms like flowers and encloses the soft seat.
