

# COSMO 魔方

Design by Masayuki Kurokawa 黑川雅之

编号: 71C001

极简的形体，纯粹的材质，表达着宇宙星际间的基本引力，也似魔力般吸引着你。COSMO边几陪伴在沙发旁，似有若无的映射着周围的环境，给人灵动的感受。

Minimalist form and singular material symbolize gravity and brightness between galaxies, which also attract users like magic. COSMO side table accompanies sofa to reflect surroundings vaguely.
