

NIVES 彼岸

Design by Archirivolto Design

编号: 21F015

NIVES椅设计灵感来自被海水拍打的海岸线，流线型扶手与宽阔环绕的靠背一气呵成，既轻快充满朝气又不失优雅。它既适合大气简约的办公场景又适配于轻松的居家环境。

NIVES is inspired by the idea of a coastal landscape with its bends lapped by the sea. With a wide wraparound backrest, ethereal, sunny and elegant, it has a high level of comfort for every occasion at home and in the contract sector.
