夏天的竹林影影绰绰，带来无声的节奏感。瑰夏的桌腿以竹林为意营造饮茶修身的最佳之地。在快节奏的都会生活中，竹与茶成为了一种精神符号，象征对没有天花板的自然生活之向往，对身心健康的关注，也是一种充满设计感的艺术体验。

Inspired by the ethereal transparency of bamboo forests, this bamboo tea table harmoniously blends the elements of bamboo and tea, creating a serene moment of Zen in urban living. Symbolizing the pursuit of mind-body balance, the table's presence is both calming and grounding. The tapered-edge and organically shaped tabletop, enhanced by a lacquer finish, ensures the piece becomes a focal point, anchoring any space with its elegance.
