

MOON 尚月

Design by L&L Studio

编号: 13C003

MOON系列自月相变幻中汲取灵感，新月似芽，半月如瓢，圆月如镜，抽屉饰面左右滑动间，仿佛从满月到新月的移动，周而复始的圆缺变幻给人们带来无尽浪漫与遐想，隐藏式圆形抽屉，在玄关处置放钥匙等小物件，把储物变成一种乐趣。

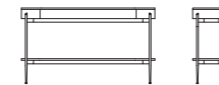

The inspiration of MOON Collection draws from the changing phases of moon: sprout like new moon, gourd-ladle-like half moon and mirrorlike full moon. The plates of drawers can slide like the phase from new moon to full moon. The repeating changes induce romantic reveries. Fun can be found at the entrance when small objects like keys are placed properly.
