

# SPHENOID 蝴蝶骨

Design by Yang Gao / Hongyu Chen ( CAFA ) 央美高扬 陈虹宇

编号：41C032

设计灵感来自大自然中的蝴蝶，茶几本身视感轻盈灵动，却充满雕塑感，两对蝴蝶骨支撑交错叠加，承托起玻璃桌面，动静、轻重、薄厚的对撞，削弱了工业化制品的冰冷与克制，呈现出流动的生命力。以“静态雕塑”的概念重新定义家具，以温和流畅的线条和圆润的形状抒发情绪，为家具注入新生命。

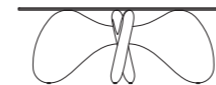

SPHENOID table offers a great balance of organic natural shape and sculptural form. The pedestal base has two interlocking wings like butterfly flapping its wing. This motion creates a lively vibe for the coffee table.

## 产品描述

茶几桌面为黑色玻璃，主体为烤漆。

## PRODUCT DESCRIPTION

Table top in black color glass. Bottom in colored lacquer finish.
