

BONBON 仙贝

Design by L&L Studio

编号：21F024

海边拾贝的童年记忆历历在目，将这份美好回忆用设计思维巧妙转化为可爱的仙贝餐椅，扶手、靠背与坐垫有机结合，轻轻触碰彼此，却牢牢地连接在一起，轻巧灵动。设计的巧思给人带来的是愉悦的回忆，让每一次用餐，都充满着温暖和想象。

The childhood memories of collecting shells inspired this lovely BONBON chair. The armrest and back gently connect, and cozily embrace the sitter with its rounded organic form. The ingenuity of design brings pleasure memories and creates a warmth and whimsical vibe for the dining room.
