59.1\*16.5\*17.7"

编号：24F002

与西提床有异曲同工之处在于软包切割线均匀有序地排列出复古高贵的气息，与同款西提床搭配，增加卧室空间的气场与功能性。

Similar to CITTI bed, the classic and high-end stool in the collection also has padded upholstery with evenly-cut line. It makes a perfect partner of the bed to highlight a space and add more functions.
