

NARA 秋叶

Design by Archirivolto Design

编号: 21F016 / 21F017

设计师常从大自然中寻找灵感和形态，想象着让他们融入我们的生活场景中。NARA 椅的造型便是树叶的变形，用一片叶子“围成”，敲到好处的背部弧度配合软包，给予舒适的支撑，让生活回归自然般的轻松简单。

NARA metamorphosis, transformation there are many ways that draw designers to invent forms from nature, imagining new scenarios. Nara is inspired by a decontextualized leaf to make your life easy.
